Notices:

Some participants could not be listed here since they did not provide their name and email-addresses. Some others took part twice and more (sometimes using different names) within some minutes time. There only the first results were used for these lists.

Thanks:

I would like to thank everyone who participated in this quiz. I am especially grateful to those people who sent me an email, containing their views and opinions towards Forster, the quiz and *Aspects of E.M. Forster*.

Wishes:

I wish you all a the best. Please stay with Forster. Come along sometimes and check out if there is anything new on my pages. I wish my site that some nice people do not just come along, copy some texts and leave to be seen no-more, but to come back and take part in the discussions of the board and maybe send me an essay, which could enrich the provided texts.

Best wishes,

Heiko Zimmermann
